Q_1 *I request your assistance in understanding the requirements of Art. 25 for the provisional guarantee. My understanding that the Art 25 requires two (2) items: a provisional guarantee and a letter of commitment. The provisional guarantee requires a deposit of 2% of the total contract value up front, prior to submitting our bid. This amount can be reduced by 50% if the economic operator can be classified as a micro, small and medium-sized enterprises COMPANY is a small business of less than 20 people and qualifies as a micro enterprise.*

Question 1: *Must COMPANY request permission for reduced funding before depositing the funds or can we assume that depositing 7,000 euros is sufficient to meet this requirement?*

Question 2: *Can this payment be made directly to National Institute of Astrophysics, at the address <https://inaf.bnl.plugandpay.it/>, by selecting the "Spontaneous payment" section and indicating as reason "RFOF - Provisional guarantee" or must this deposit be setup at a banking institution as a letter of credit?*

Question 3: *Paragraph 2 indicates that this declaration of commitment is not required from micro-enterprises Is this translation correct and is COMPANY, as a micro-enterprise, not required to submit a declaration of commitment?*

Question 4: *Considering COMPANY as a micro-enterprise, what must be submitted through the U-bid portal in addition to depositing 7,000 euros to INAF?*

A_1 **Question 1.** COMPANY has to demonstrate the requirement. This can be fulfilled submitting a digital copy of a document extracted from an official register where COMPANY is present. It depends on the foreign Country organization. In this phase of the tender, a self-declaration can be accepted as a valid document.

Question 2. COMPANY is invited to use the "ad hoc" payment note that has been generated and will be sent separately.

Question 3. The translation is correct, no declaration of commitment is requested for micro- and small-enterprises.

Question 4. It is enough to send a digital copy of the receipt / document that will be printed / released when the PagoPA payment has been finalized.
